

INDEX.

- ABDOMEN**, Penetrating gunshot wounds of, 405.
 —Treatment of penetrating wounds of, 271.
 Abscesses, Cold, Treatment of, 152.
 —Tubercular, Vertebral, When should they be opened, 70.
 Actinomyosis, Miescher's or Rainey's Corporules in, 96.
 American Armamentarium Chirurgicum, 159.
 Amputation, Interscapulo-Thoracic, 88.
 Anal Surgery, Review of Andrews on, 155.
 Aneurism, Cirroid of Scalp, 93.
 Aneurisms of the Limbs. Treatment of, 235.
 Appendicitis, 132, 225, 232, 288.
 Atmosphere, Influence of ventilation in the number of floating organisms in, 216.
 Axillary Nerves, Suture of, 373.
- BILE-DUCT**, Chronic obstruction of, by Gall-stones, 161.
 Bladder-Carcinoma, 345.
 —Tuberculosis, Results of operations for, 290.
 Bone-Tuberculosis, Is it hereditary, 70.
 —treated by injections of iodoformized oil, 73.
 Brain, Contributions to the Surgery of the, 81, 113, 115, 350.
 Bromide of Ethyl in Dental Surgery, 219, 220.
 BRYANT, J. D., Excision of the Superior Maxilla, 305.
- CÆSAREAN** Section, 80.
 Calculi. Renal, The Surgery of, 52.
 —Vesical, Enormous, Removal of, By the suprapubic route, 1.
 Cancer, Primary, Of the female urethra, 76.
 Carcinoma, Experimental transfer of, 152.
 —Location of Primary, 149.
 Catgut Infection, 218.
 Catheter, Celluloid, Removed by absorption from the bladder, 294.
 Catheterization, Dangers attending, In certain forms of Retention, 295.
 Cerebral Abscess, Subdural, 81.
 Cerebral and Cerebellar Abscesses, Trephining for, 352, 355, 356, 357.
 Cerebral Tumor, Removal of, 113.
 Cheek, Large defects of mucous membrane of, Treatment, 379.
 Chloroform, Fatal after-action of, 467.
 —Report of the second Hyderabad Commission on the action of, 449.
 Cholecystenterostomy, 133.
 Cholecystomy, 129.
 Clavicle, Treatment of fractures of, 44.
 Cocaine in Surgery, 111, 278.
 Colo-rectostomy, 132.
 Colotomy, 212.
 Conjunctiva, Transplantation of rabbits, to the human eye, 375.
 Cranial and Spinal injuries, 186.
 Cystoscopy Review of Nitze's Text-book on, 473.
- DANS**, G. G., Treatment of fractures of the clavicle, 44.
 DEADERICK, C., Rupture of quadriceps tendon, with dislocation of the patella, 102.

- Diaphragmatic Hernia, Operation for, 124.
- Drainage of the peritoneal cavity, 338.
- Dry dressings, Antiseptic properties of, 468.
- EARS**, Prominent, Operation for relief of, 49.
- Echinococcus of Liver, 128, 288.
- Empyæma, Thoracic, New method of operating for, 123.
- Endoscopy of urethra and bladder, 138; 473.
- Enuresis, Nocturnal, In children, 65.
- Epilepsy, Jacksonian, Trephining for, 358.
- Traumatic, Trephining for, 115, 351.
- Epiphyseal cartilages of long bones, Compensating hypertrophy of, After removal of its fellow, 72.
- FACE**; Total resection of the bones of the, 376.
- Fistula, Operations for vesico-vaginal, 463.
- Flat-foot, Contribution to the study of, 41.
- Foot, Tuberculosis of the joints of the, 153.
- Foreign bodies in wounds, 67; simulating pathological processes, 286.
- Foreign body in uterus, 75.
- Fractures, Massage and mobilization in the treatment of, 359.
- Fractures of the clavicle, Treatment of, 44.
- GALL-BLADDER**, Surgery of the, 129, 130.
- Genitals, External, Frost-bite of, in a parturient woman, 396.
- Genu Varum and Valgum, Treatment of, 300.
- GIBBS, H., Miescher's and Rainey's Corpuscles in Actinomyces, 96.
- GIBNEY, V. P., Cases of cuneiform osteomy for relief of double, congenital equino-varus, 304.
- On Flat-foot, 41.
- Operative treatment of talipes calcaneus paralyticus, 240.
- Goitre, Extirpation of, 119, 120; Followed by tetanus, 223.
- Gonorrhœal inflammation of paraurethral glands, 142.
- Grave's disease, Extirpation of goitre in, 119.
- HÆMORRHOIDS**, Pathology and treatment of aggravated, 319.
- Hernia, Diaphragmatic. Operation for, 124.
- Fecal fistula following, 235.
- New operation for radical cure of, 234.
- Hip, Causes of irreducibility of old dislocations of, 239; Dislocations of, in children, 393.
- Hi-joint, Cases of bilateral ankylosis of, 296.
- Excision of both, for acute disease, 392.
- Hydrocele. Results of treatment of, 135.
- Hydrophobia, Persistence of the virus of, 277.
- Hypospadias, With stricture of the urethra, 143.
- ILEUS** After Ovariectomy, 410.
- Pathology of, 287.
- Interscapulo-Thoracic amputation, 88.
- Intestines, Gunshot wounds of the, 272; 401.
- Resection of, 56.
- Iodoform, Antiseptic value of, 17.
- Iodoformized oil injections in the treatment of bone-tuberculosis, 73.
- JAW**, Cicatricial ankylosis of, Operations for relief, 258.
- Cicatricial contraction of, obviated by skin transplantation, 377.
- Joint-tuberculosis, 153.
